TRUST, INTEGRITY AND QUALITY

With over 25 years in the construction industry, adherence to these principles has sustained us through the years and produced steady growth.

A key to our longevity and success is our ability to attract and keep top managers and skilled tradesmen – we recognize that our employees are our most important asset. We seek the very best people in our field and we reward them well. As a result, we enjoy a very low turnover rate and our clients receive consistent, high-quality results.

Built on a foundation of quality craftsmanship and responsive service, Alta Construction, Inc.'s goal is to always exceed our client's expectations. We strive to understand and satisfy the needs of the Owner, the constraints of the building site, the specified materials and systems for the project and the Architect's aesthetic intent.
